DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 1, 9 and 10 are allowed. The prior art discloses a multiplexing apparatus for connection to a switching unit and to each of plural subscribers through communication lines and performing multiplexing processing of cells sent from the plural subscribers corresponding to the congestion state, said level value indicating an amount of congestion; and..

The prior art however fails to disclose or suggest a discard means for selectively discarding the received cells from the subscribers based on a communication state determined by cells received from the switching unit and from the subscribers and based on the level value of the congestion state.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
